

PLANS TO FIT YOUR NEEDS

ENGINE

Engine Block and Cylinder Head(s) (when damaged from within, excluding damage as a result of overheating regardless of cause) and all internally lubricated parts including: crankshaft and main bearings, connecting rods and bearings, camshafts and bearings, timing chains and gears, timing chain guides, pistons, rings and wrist pins, intake and exhaust valves, valve springs and retainers, rocker arms, shafts and pivots, push rods, hydraulic lifters, valve covers, oil pan, oil pump, dipstick and tube.

TRANSMISSION/TRANSAXLE

(FWD, RWD, AWD, 4WD) All internally lubricated parts (when damaged from within) including: housing, torque converter, valve body, gear sets, main and intermediate shafts, vacuum modulator, oil pump. Excluded: External linkages and shifter.

DIFFERENTIAL(S) TRANSFER CASE

(including auxiliary differential)/

(FWD, RWD, AWD, 4WD) Housing/Case (when damaged from within) and all internal parts including differential

ROADSIDE ASSISTANCE

We will reimburse you up to \$50 (fifty) per occurrence to an aggregate maximum of \$250 (two hundred and fifty) Canadian dollars (including taxes) for the following events: Winching Coverages, Battery Boosting, Emergency Fuel Delivery (max .10 litres), Flat Tire Coverage and Vehicle Entry Assistance. Valid receipts must be submitted for reimbursement.

TOWING

We will reimburse you up to \$50 (fifty) Canadian dollars per occurrence to an aggregate total of \$200 (two hundred) Canadian dollars including all taxes for towing expenses incurred due to a mechanical breakdown covered under this contract. Valid receipts must be submitted for reimbursement.

SEALS AND GASKETS

All those used to contain fluids and lubricants within the covered parts.

TURBOCHARGER

Manufacturer installed (OEM) only: Housing (when damaged from within) and all internal parts including intercooler, waste gate controller and hard lines.

SUPERCHARGER

Manufacturer installed (OEM) only: Housing (when damaged from within) and all internal parts including bypass valve, clutch and pulley.

AIR CONDITIONING

(Includes rear/auxiliary A/C) Compressor, clutch assembly and pulley, evaporator, accumulator, receiver dryer, expansion valve, orifice tube, idler pulley and bearing.

ELECTRICAL COMPONENTS

Starter motor and solenoid, alternator and voltage regulator, electronic ignition module (excluding ECM's), windshield wiper motors and washer pumps (front & rear), heater/A/C blower motor (front & rear), horn assembly.

BRAKE SYSTEM

Master cylinder, vacuum assist booster, proportioning valve, disc brake calipers (front & rear), flexible brake fluid hoses, rear wheel cylinders, backing plates and return springs, steel brake lines, brake linkages and emergency/hand brake cables.

STEERING COMPONENTS

Rack and pinion, power steering pump, reservoir and pulley, steering gear/box, power steering hoses, pitman arm, idler arm, center link, steering knuckle/spindles, main and intermediate shafts, power steering cooler and lines.

FRONT SUSPENSION

Upper and lower ball joints, upper and lower control arms and their shafts and bushings.

FUEL INJECTION

(Gas and Diesel) Fuel pump, fuel injectors, fuel injector lines, fuel injector regulator and injection/distribution pump.

AVAILABLE OPTIONS

SEALS AND GASKETS

(Option on Bronze plans, included in Silver, Gold & Top-Up Plans): All those used to contain fluids and lubricants within the covered parts.

TURBOCHARGER

(Option on Bronze plans, included in Silver and Gold Plans): Manufacturer installed (OEM) only: Housing (when damaged from within) and all internal parts including intercooler, waste gate controller and hard lines.

SUPERCHARGER

(Option on Bronze plans, included in Silver and Gold Plans): Manufacturer installed (OEM) only: Housing (when damaged from within) and all internal parts including bypass valve and pulley.

AIR CONDITIONING

(Option on Bronze and Silver plans, included in Gold & Top-Up Plans): (Includes rear/auxiliary A/C) Compressor, clutch assembly and pulley, evaporator, accumulator, receiver dryer, expansion valve, orifice tube, idler pulley and bearing.

ELECTRICAL COMPONENTS

(Option on Silver plan, included in Gold & TopUp Plans): Starter motor and solenoid, alternator and voltage regulator, electronic ignition module (excluding ECM's), windshield wiper motors and washer pumps (front & rear), heater/A/C blower motor (front & rear), horn assembly.

CAR RENTAL/TRIP INTERRUPTION

(Option on Bronze, Silver, Gold & included on Top-Up)

a) Car Rental: We will reimburse you for car rental expenses incurred due to a covered mechanical breakdown. Benefits will be payable if the labour time required to repair the vehicle as allocated by a recognized labour guide exceeds 8 hours. Reimbursement is up to \$40 (forty) Canadian dollars per day, to a maximum of \$200 (two hundred) Canadian dollars for the term of the contract. Prior approval must be obtained and valid receipts must be submitted for reimbursement.

b) Trip Interruption: We will reimburse you for lodging, meals, bus or taxi expenses incurred due to a mechanical breakdown. Benefits will be payable if you are more than 300 kilometres away from home and the labour time required to repair the vehicle, as allocated by a recognized labour guide exceeds 8 hours. Reimbursement is up to \$50 (fifty) Canadian dollars per day to a maximum of \$200 (two hundred) Canadian dollars for the term of the Contract. Valid receipts must be submitted for reimbursement.

ELECTRONIC HI TECH COMPONENTS

(Option on Silver and Gold Plans, included on Top-Up): Anti-Lock Brakes (ABS)/Traction Control (TCS) module, exciter rings, pump motor/hydraulic unit including relays, accumulators, pressure modulator and valve assembly, electronic climate control module, electronic ignition and fuel injection computer control module (ECM), cruise control servo, transducer and cable, main electronic instrument cluster (display for speed, odometer, temperature, tachometer, oil pressure, fuel and voltage), keyless entry door control keypad, power door lock actuators and switches, power window motors, power seat motors, power antenna, exterior mirror motors, sunroof motor, convertible top motor, hidden headlamp door motors, automatic load levelling compressor motor and electronic trunk release actuator.

ZERO DEDUCTIBLE

(Option available on all plans): If you have selected and paid for this option, your deductible will be waived on all claims for the life of the contract

ULTRA HI TECH COMPONENTS

(Option only available on Gold & Top-Up Plans): Drivers Video Display Screen including; DVD, GPS/Navigation Unit, Bluetooth, Radio Head Unit, HVAC controls and Back Up Camera, Back Up Camera Sensors BCM, Keyless Ignition push button, Blind Spot Detection sensors, Heated Seat elements, Advanced Keyless Entry (hands free) door handles and sensors, Power Sliding Door motor, Rear Tailgate/Hatch/Trunk motors and Power Tilt/Folding/Telescopic Mirror motors.

HYBRID / ELECTRIC VEHICLE

(Option only available on Silver & Gold Plans) Battery Control Module, Battery Pack Cooling Fan, DC/DC Converter, Hybrid Control Module, Hybrid Traction Motor(s), Generator, Drive Unit, Hybrid Specific Transaxle / Transmission Housing and all internal parts, Inverter, Inverter System Controller, On Board Charger, On Board Charger Fan. Coverage excludes: Battery.

You want adventure and the open road, and we will provide you with the coverage you need to feel safe doing so.

BENEFITS

UNINTERRUPTED PROTECTION FOR YOUR INVESTMENT

Each year, more and more sophisticated technology is built into vehicles to improve their safety, performance, comfort and value. These same innovations increase the vehicle's reliability. However, if something does go wrong, the necessary repairs are often complex and costly. To protect your investment from these financial burdens, we offer a selection of extended service packages that give you uninterrupted coverage on parts and labour, for many years or thousands of kilometers following the expiration of factory warranty.
